Resource Person

Introducing Claudette Clausen

Claudette brings 22 years of global experience as a senior strategist, researcher, designer and facilitator of leadership development. She is an Executive Coach and Mentor working across Financial Organisations, Governments, Private Enterprises, Schools, Universities, and Not-For-Profit Organisations.

Her audience includes blue chip global business for private and corporate reach, educators, youth, parents and local communities for ground roots reach.

Claudette assists leaders, businesses, governments and future leaders, foster and impart their leadership footprint. Her programs include 'Youth as Leaders of the Future'.

Her passion is transforming "what's possible" for individuals, teams and organizations and their performance, through interventions that focus on authenticity and resilience, and aligning individual and organizational purpose and meaning. She has a deep understanding of what it takes for leaders to lead from Be – ing rather than Do – ing.

Through her programs, Claudette is committed to empower current and future leaders to create, foster and impart their leadership footprint to ensure a sustainable stream of leaders for now and well into the future.

TRAINING PROGRAM

Leadership through Emotional Intelligence

For many people, emotional intelligence is an unfamiliar concept. Along with a new framework for thinking about intelligence, we introduce concepts and terminology that view emotionally-intelligent behaviours as essential workplace skills. We discuss many of the new discoveries in the field of neurology and brain research and relate these ideas to daily workplace behaviour.

In the workshop participants will:

- Be introduced to Emotional Intelligence 'EQ' and the value of exploring emotional intelligence.
- The key skills of emotional intelligence and how each help drive our actions.
- The application of emotional intelligence to:
 - Self- Awareness
 - Self- Management
 - Relationships building

After participating in the workshop, participants will have the tools to improve their EQ, and to communicate effectively about the process and their progress.

Key benefits of this program:

- Increased self- awareness of leadership style and personal presence
- Understand the impact of your behaviour on others
- Lead effectively
- More productive communication with others;
- Develop a common language and consistent approach to leadership
- Better empathy skills
- Acting with integrity
- Improved career prospects
- Managing change confidently
- Feeling confident and positive
- Reduce stress levels

Whether you are an HR manager or director, a company leader or manager, a teacher, a parent, a student, or interested in yours or people development and being the best you and or they can be, this course is for you.
